The LassiterWare Individual Marketplace provides these health benefits to help protect you from high out-of-pocket medical costs. You can enroll online or over the phone.

Short-Term Insurance

A short-term health plan can fill the gap between qualified medical plans that is very affordable with low deductibles to meet. It offers some prescription drug coverage and is available for Individuals and Families. Does not cover pre-existing conditions.

Cancel at any time without penalty.

Traditional Health Insurance

These are major medical policies that cover physician services, clinics, emergency rooms and prescription drug coverage. They are qualified health plans according to the Affordable Care Act. Available for Individuals and Families.

Traditional Health Insurance covers pre-existing conditions.

Telehealth

Skip the clinic and have \$0 co-pays for medical consultations! Get on-demand access to a national network of board-certified doctors that can diagnose, recommend treatment and prescribe medication. Eligible for Individuals and Families

Available 24/7/365 and on holidays!

Vision Insurance

See the difference a vision plan can have on your health and your wallet! In these times, a vision plan can help save you money on exams, lenses, frames and more!

Dental Insurance

Dental Insurance can provide coverage for preventive, basic, and major dental expenses with the dentist of your choice. Also, some plans include orthodontia, teeth whitening and more.

Supplemental Insurance

Benefits can be used to pay for emergency treatment, medical transportation and lodging. Use the money for whatever you need, like mortgage payments, credit card payments, car payments, daycare or business costs.
